“When I look at your heavens, the work of your fingers, the moon and the stars which you have established; what are human beings that you are mindful of them, and mortals that you care for them?” Psalm 8:3-4

January 1, 2026, a new year begins. What will it bring? As we were nearing the year 2000, I attended a seminar in Dubuque, Iowa, at which Dr. Martin Marty, emeritus professor of church history at the University of Chicago, was asked to speak. The question was, what should we expect in the new millennium about to start? Dr. Mary began by saying, **we historians can tell you a lot about the past, but we're not very big on the future.** The one thing we do know; it will not be what we expect. Amen to that.

So, here we are a quarter of the way into the next century and what do we see? For my part, I find it very difficult to be optimistic. In so many ways, it seems that we are going backwards rather than forward. How do we remain hopeful? Where do we find joy?

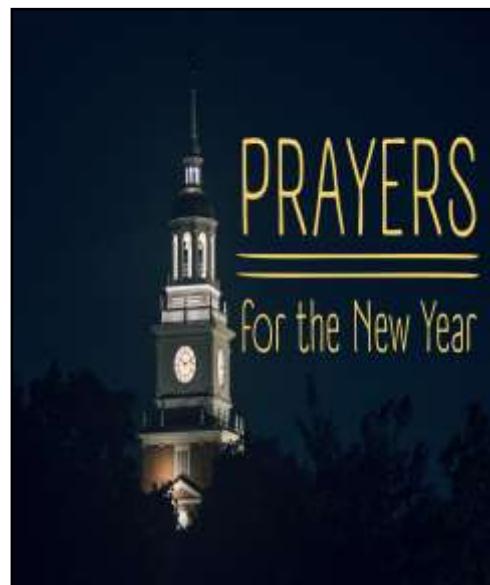

There's a verse in the old Methodist funeral liturgy, “...and underneath are the everlasting arms.” (Deuteronomy 33:27a) For me, that is our hope. We believe in a God who loves the world, even as it is. A God who says, Be not afraid; I am with you. A God who says, even death cannot defeat the love of God found in Jesus Christ.

In Jesus, God made a major investment in us. God showed us God's love, and God said, pass it on. Live in the love you see in Jesus.

That is our mission.

Yes, it's still true. For God so loved the world... Even you and me. As we begin a new year let us believe God. Let us receive God's love and then pass it on. “They will know we are Christians by our love.”

David B. Kaller, retired pastor

Circle of Love

Job loss, illness, injury. You name it. There are many reasons why people cannot afford to supply all their own needs; but then again, we were never made to be totally self-sufficient. If we all could do everything for ourselves, then of what importance would relationships be? Remember life is unfair but God is good. Thank you to everyone who supports this important ministry. Your time, donations, and prayers are priceless. Circle of Love provides items not provided by state assistance, such as diapers, feminine hygiene products, and incontinent products.

We meet on Tuesday evenings

7:00p.m.- 9:00p.m., and Saturdays, 9:30a.m.-11:30a.m. We use the upstairs Sunday school room, and plan to continue until the end of April 2026.

If you would like to help out please let Pastor David Kaller or

Josefina Kaller know.

WE WANT YOUR TORN, WORN, STAINED CLOTHING!

As you begin your spring cleaning keep in mind the two green bins in the parking lot. USAgain – a leader in the textile recycling industry – is a for-profit company with a mission of diverting textiles from landfills. We collect clothes, shoes and linens you would not give to clothing drives because they are worn, torn or stained. Simply place them in a plastic bag and drop the bag in the bin. Items are then sent to graders and wholesalers who recycle them into new products.

Conference

Join Others and Read the Bible in a Year

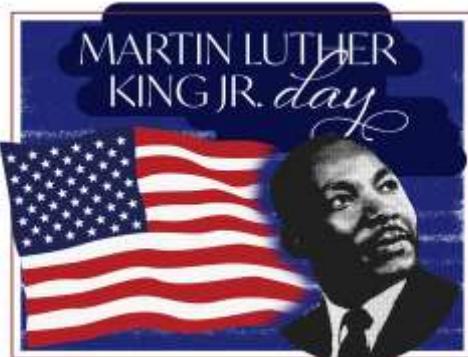

Read the entire Bible in one year with other Northern Illinois United Methodists and join them in making daily Scripture reading a shared spiritual practice in the coming year. The conference Committee on Discipleship and Spiritual Formation invites lay and clergy to follow a plan for daily readings and participate in a small group to talk about the significance of the texts in their spiritual lives. “Our goal is to offer a simple plan and supportive environment to help people engage the whole of Scripture over one year,” said Rev. Seamus Enright, CDSF chair. “We are trusting God to deepen our faith as we do this together.” The committee’s reading guide follows a chronological plan—the order in which biblical events are believed to have occurred. For example, readers will move from Genesis to Job and then return to Genesis as the story unfolds. Unlike a Bible study, these small support groups will focus on offering encouragement, accountability, and space for reflection on how the practice of daily reading is shaping faith and life. Facilitators will guide conversations about insights gained, challenges encountered, and the spiritual impact of engaging scripture regularly. The gatherings will meet on the second Wednesday of each month from 7:30 to 8:30 p.m. on Zoom, and recordings will be available for those who cannot attend in real time. (It is not too late to join!) The CDSF will help individuals find congregations that will welcome others to their group. For questions or additional information, contact Amania Drane, adrane@umcnic.org. To sign up, please complete the online registration form at umcnic.org/news/read-the-bible-in-a-year-with-us.

REMEMBERING

John Edward George Jr.

May 19, 1952 – December 20, 2025

John Edward George Jr., age 73, passed away peacefully on December 20, 2025, at Providence Medical Center in Everett, Washington, surrounded by his loving wife and children.

John was born on May 19, 1952, in Marysville, Ohio, to Anne Marie George (née Gibson) and John Edward George Sr. He was the oldest of five children.

John made an incredible journey during his lifetime, serving his country, state, and community with great honor. He left Ohio to attend the National College of Education. It was there that he met Peggy Glas, a fellow student who would become his wife. They were married on March 2, 1974, in Evanston, Illinois and shared a life of travel, service, and deep partnership, raising two cherished children.

John began his professional life in education, teaching middle school science. While teaching, he worked summers as beach police, an experience that introduced him to law enforcement and ultimately led him to a new calling. He worked at Northeastern University's campus police department before serving with the Morris Police Department and later the Illinois State Police. John retired as a Sergeant after 23 years of service.

In addition to his law enforcement career, John proudly served in both the United States Coast Guard and the Army National Guard. His military service included Operation Uphold Democracy in Haiti, Operation Desert Shield/Desert Storm in Saudi Arabia, and Operation Joint Endeavor/Joint Guard in Bamberg, Germany.

Retirement did not slow John down. He taught criminal justice at Westwood, co-owned 7 Paintball Store with his son, and later drove for Meals on Wheels. However, his favorite role—and the one that brought him the most joy—was being Santa Claus. John worked with park districts, charities, churches, and local organizations, bringing the magic of Christmas to countless children. Any money he earned went toward improving his Santa suit, purchasing trinkets for children and supporting charities close to his heart, especially Imagine No Malaria.

John was an active member of the 1st United Church in Lockport, Illinois, for over 30 years. His many roles included high school Sunday school teacher, mission trip chaperone, lay leader, guest preacher, and more.

John will be remembered for his dedication to service, his deep faith, his love of teaching, and his joy in sharing kindness—especially through the magic of Christmas. His legacy is one of honor, generosity, and love.

A Celebration of Life will be planned for the summer of 2026. In lieu of flowers, donations may be made to 1st United Church in Lockport, Illinois, which will forward contributions to Imagine No Malaria.
